
The Hammond

Home Features

5 Bedrooms • 3.5 Bathrooms

Finished Square Footage— 3,117

The Hammond features an open floor plan and boasts a gourmet kitchen with custom soft-close cabinet, granite countertops, tile backsplash & stainless steel appliances. This plan includes a formal dining room and study with crown moulding and site-finished oak hardwood floors. The first floor bedroom has a large closet, plush carpet and attached full bathroom. The oversized master bedroom features a coffee bar, two oversized walk-in closets and ensuite bath. This plan includes an optional finished third floor. Relax in the rear screened-in porch with a ceiling fan and light fixture.
